## Window Transaction Survey

### Window Transaction Survey

PO Name: ROSSER ZIP+4: 75157 - 9998 Completed By: RMBY6B  
 Survey Period: 12/11/2010 through 12/24/2010

Record the number of retail window transactions in the appropriate columns for each day. Consider a sale of stamps as one transaction. A sale of stamps and a money order is two transactions. Do not record the handing out over the counter of box mail, general delivery mail, or carrier mail. Instead of this worksheet, you may use PS Form 2007-A, Window Transaction Record; PS Form 2007-B, Window Transaction Conversion; and PS Form 2007-C, Window Transaction Survey. To obtain the average daily number of transactions, divide the total number of transactions during the survey period by the number of days in the survey. The allowable time per transaction is shown in each column in minutes. To determine the average daily workload in minutes, multiply the number of transactions in each column by the time conversion for that column, total the time conversions for all columns, and divide the total number of minutes by the number of days in the survey period.

If you have any comments on alternate means of providing services to the ROSSER customers, please provide them below:

Curbside delivery should be made by Rural Route 1 in Scurry Tx 75158. There is no location available for CBU's.

ALLISON RIZAN  
Post Office Review Coordinator

Comments:

The cost of installing CBU's for 147 customers will be \$9724.96. The OIC has made the statement that the community gets a little wild at night. That concerns me that the CBU's would have to be replace on a regular basis.

POSTAL CUSTOMER  
ROSSER POST OFFICE  
ROSSER, TX 75157

Dear Postal Service Customer:

As the Postal Service manager responsible for all Post Offices in your area, I would like your opinion concerning a possible change in the way your postal service is provided. The recommended change is tentative and will not lead to a formal proposal unless we conclude that it will provide a maximum degree of regular and effective service.

The Postmaster at the Rosser Post Office was promoted on 03/29/2008. The Office is being studied for possible closing or consolidation for the following reasons: Office is vacant and earns less than 2 hours.

Briefly, we would like to provide pickup and delivery of your mail, as well as the sale of stamps and all other customary postal services, by rural route service emanating from the Scurry Post Office.

We estimate that carrier service would cost the Postal Service substantially less than maintaining the Post Office in your community and still provide regular and effective service. Enclosed is information about some of the services available from the carrier. Retail services are also available at the Scurry Post Office, located 5.6 miles away. Hours of service at this office are 08:30 16:30, Monday through Friday, and closed on Saturday. Post Office box service is available at this location at the same fees.

I invite you to think about a possible change to rural route service. Please return the enclosed questionnaire by 02/15/2011 using the pre-addressed envelope provided or at the community meeting. Please be aware that, if we formalize a proposal, your questionnaire will become part of an official record and will be available for public viewing.

You may, of course, want to discuss this form of service with us before drawing any conclusions. Postal representatives will be at the Fire Station 204 Main St Rosser Texas 75157 on Tuesday, February 15, 2011 from 6:30 to 8:00 to answer questions and provide information about our service. You may wish to discuss and submit your questionnaire at that time.

If you have any questions, you may call Allison Rizan at (972) 393-6485.

Thank you for your assistance.

Sincerely,

A handwritten signature in cursive script that reads "Linda Sherman".

## **POST OFFICE ON WHEELS SERVICES AVAILABLE FROM RURAL AND HIGHWAY CONTRACT ROUTE CARRIERS**

You can eliminate almost all trips to the Post Office, because doing business with the Postal Service is as close as your mailbox. The carrier can provide virtually all postal services to you, and most transactions do not require meeting the carrier at the mailbox. Some of the most frequently used services are:

### **MAILING PACKAGES**

Carriers will accept packages at the mailbox without a customer being present, provided the postage is fully prepaid, and the customer is known to reside or conduct business at that collection point. The package **MUST** have a matching return address that is the same as the collection point. If postage has not been applied, estimate the amount of postage needed and leave the money in the mailbox. If insurance is desired, the value of the contents must be specified. The carrier will take the package to the Post Office, and it will be weighed to determine the appropriate rate. The package will be mailed that same day. The carrier will leave the customer's change and insurance receipt, if appropriate, in the mailbox on the next delivery day.

### **PURCHASING STAMPS BY MAIL**

The Stamps by Mail program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, *Stamp Purchase Order (Rural)*, available from the Post Office or the carrier. Commemorative stamps and stamp-collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the United States Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

### **PURCHASING POSTAL MONEY ORDERS**

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the Post Office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

### **SPECIAL SERVICES**

Special services such as Certified, Registered, Express Mail, Delivery Confirmation, Signature Confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

### **HOLDING MAIL**

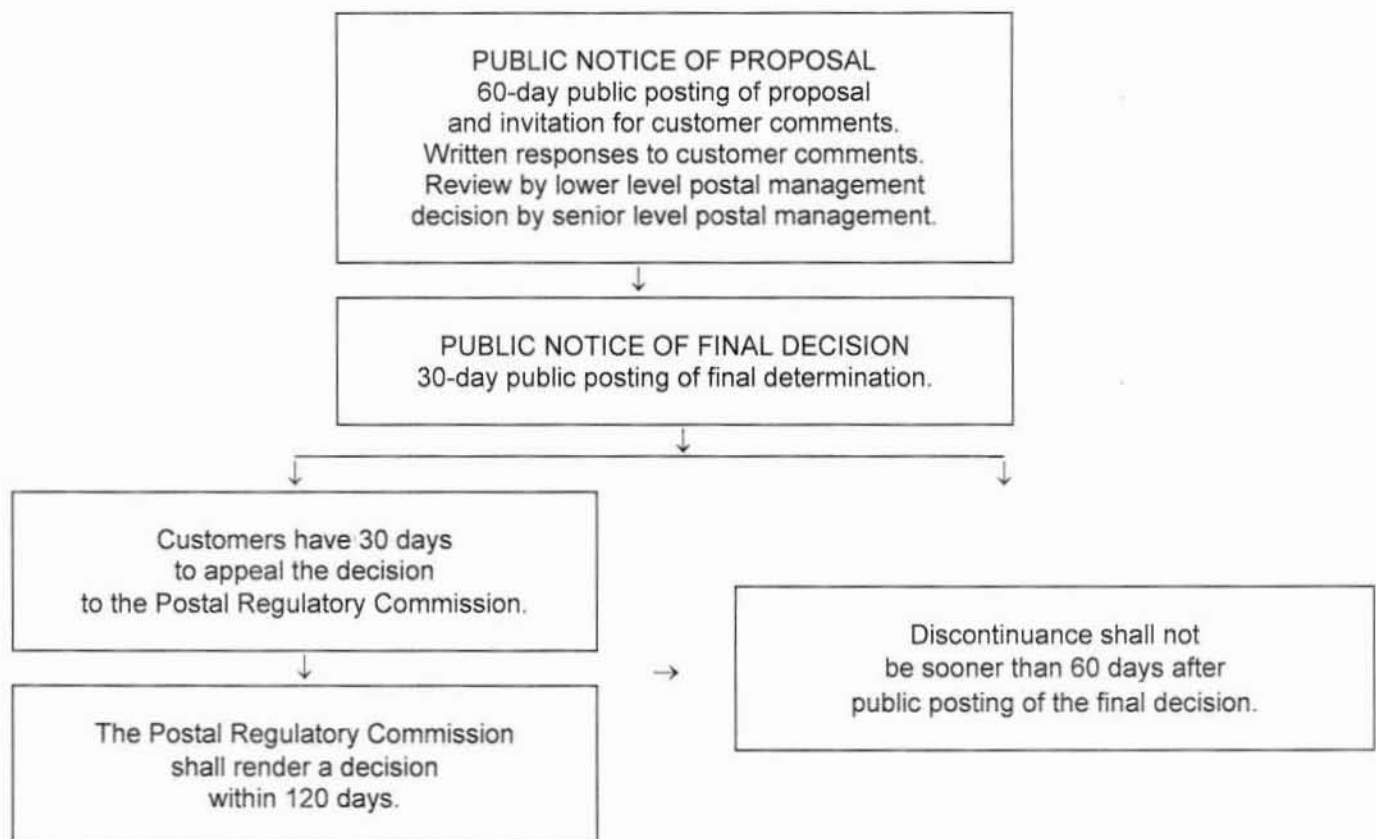

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the Post Office during their absence. Upon return, the customer asks the Post Office to resume delivery.

## SUMMARY OF POST OFFICE CHANGE REGULATIONS

Certain regulations based on federal law apply when postal managers propose to replace a Post Office with an alternate form of postal service. These regulations are designed to ensure that the reasons for proposing such changes in postal service are fully disclosed at a stage when customers can make helpful contributions toward a final decision. The full text of the statutory provisions appears in Title 39, *United States Code*, Section 404(b), while the implementing regulations appear in Title 39, *Code of Federal Regulations*, Part 241.3.

According to implementing regulations, an initial investigation and any subsequent formal proposal to discontinue a Post Office originate with postal field managers responsible for Post Offices in that area. The proposal must explain the services recommended as substitutes and the rationale that supports this recommendation. The written proposal is prominently posted for 60 days at affected Post Offices, along with an "Invitation for Comments," which formally invites customer comments. At the end of the 60-day comment period, additional review is made at lower and upper levels of postal management.

When a final decision is made at Postal Headquarters in Washington, DC, that decision is posted in affected Post Offices for 30 days, during which customers may appeal the decision to the Postal Regulatory Commission in Washington, DC. The Postal Regulatory Commission has 120 days to consider and decide an appeal. Even without an appeal, no Post Office may be closed sooner than 60 days after the public posting of the final decision.

In response to your letter:

- You expressed a concern about the detrimental effect the loss of the post office would have on the community. Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the ROSSER Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about delivery time. A customer's location on a carrier's line of travel determines the time of day mail is delivered. This, of course, precludes providing early delivery of mail to every customer because, no matter how we structure a route, somebody must be last. We do, however, carefully consider the volume of mail for each route so that we can deliver the greatest amount of mail at the earliest possible hour. With the largest fleet of delivery vehicles in the world we must pay special attention to energy conservation measures, to minimize vehicle and fuel expenses. When the price of gasoline goes up one cent per gallon our total gasoline cost rises more than \$8 million. Therefore, when structuring a route, we must balance our goal to deliver as much mail as possible as early as possible with the need to minimize the travel distance a route must cover.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the ROSSER Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the establishment of a Community Post Office (CPO). The CPO will be contracted to provide at least the same hours as the present post office. Depending on the location, the CPO may provide extended lobby hours. A CPO provides the same services as the suspendoffice Post Office, except for permit mail acceptance.
- You expressed a concern about package delivery and pickup. Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to ½ mile off of the line of travel, at a designated place, such as on your porch or under a carport.

If it is determined that a discontinuance of the ROSSER Post Office should be pursued, a formal proposal will be posted in the ROSSER Post Office(s) at a later date. If you have additional questions or comments, please feel free to contact Allison Rizan at (972) 393-6485.

Sincerely,

This post office has been in Rosser for over 50 yrs. It has served + benefited this town + a lot of people. A rural carrier would not work in this area cause there are too many sticky fingers getting into your mail box, there's not enough people has the tendency to tear up your mail box + besides a lot of people don't have the extra cash, with the cost of living going up, to go + get their mail box or pay for other services. The elderly would not be able to get their mail or be able to go + get their mail - cause a lot of residents walk to get their mail because of no transportation, or the elderly sends for their mail. + you have that friendly atmosphere when you

Thank you for returning your questionnaire concerning the proposed discontinuance of the ROSSER Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the ROSSER Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about an address change. Customers that erect a rural mailbox along the carrier's line of travel will be assigned a 911 address. Customers can continue to use the community name, suspendoffice, in the last line of the address, however, in order to insure regular and effective service the Zip Code will change to adminzip.

If it is determined that a discontinuance of the ROSSER Post Office should be pursued, a formal proposal will be posted in the ROSSER Post Office(s) at a later date. If you have additional questions or comments, please feel free to contact Allison Rizan at (972) 393-6485.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the ROSSER Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the security of mail. Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

If it is determined that a discontinuance of the ROSSER Post Office should be pursued, a formal proposal will be posted in the ROSSER Post Office(s) at a later date. If you have additional questions or comments, please feel free to contact Allison Rizan at (972) 393-6485.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the ROSSER Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the loss of the Communities' identity. A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the suspended office name and ZIP Code suspended zip in addresses and in the National Five-Digit ZIP Code and Post Office Directory.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the ROSSER Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the detrimental effect the loss of the post office would have on the community. Businesses generally require regular and effective postal services, and these will always be provided to the suspendoffice community. There is no indication that the business community will be adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the post office is discontinued.

If it is determined that a discontinuance of the ROSSER Post Office should be pursued, a formal proposal will be posted in the ROSSER Post Office(s) at a later date. If you have additional questions or comments, please feel free to contact Allison Rizan at (972) 393-6485.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the ROSSER Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about irregular hours that the rural route serves the community. Our carriers strive to provide service at approximately the same time on a daily basis, however mail volumes and weather conditions often effect delivery times. If you desire special services from the rural carrier you may leave a note in your mailbox instructing the carrier to sound his horn, and then meet the carrier to receive services. Retail services may also be obtained at the adminoffice post office located admindistance miles away.

If it is determined that a discontinuance of the ROSSER Post Office should be pursued, a formal proposal will be posted in the ROSSER Post Office(s) at a later date. If you have additional questions or comments, please feel free to contact Allison Rizan at (972) 393-6485.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the ROSSER Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about irregular hours that the rural route serves the community. Our carriers strive to provide service at approximately the same time on a daily basis, however mail volumes and weather conditions often effect delivery times. If you desire special services from the rural carrier you may leave a note in your mailbox instructing the carrier to sound his horn, and then meet the carrier to receive services. Retail services may also be obtained at the adminoffice post office located admindistance miles away.

If it is determined that a discontinuance of the ROSSER Post Office should be pursued, a formal proposal will be posted in the ROSSER Post Office(s) at a later date. If you have additional questions or comments, please feel free to contact Allison Rizan at (972) 393-6485.

Sincerely,
